Draft – May 31, 2005 Board Meeting Minutes: Mrs. Gardner made a motion to approve the minutes with corrections. Mr. Barber seconded the motion and it carried unanimously.

The **Public Hearing to hear comments related to the adoption of proposed changes to Board rule 480-2-.03&.04, Experience Requirement/Examinations** scheduled to begin at 3:00 PM **was called to order** at 3:05 PM.

Suggested changes from Jimmy Dorsey, was reviewed and was made a part of the permanent record.

A fax from Flynn Warren, Clinical Professor, University of Georgia, was reviewed and was made a part of the permanent record.

As no other interested parties had comments on these rules and no other written comments had been received, the hearing was adjourned at 3:30 PM

President Madden established that a quorum was present, and called the Board meeting to order at 3:35 PM

Rule 480-2-.03&.04: Mr. Tatum made a motion to **adopt** Board Rule 480-2-.03&.04, Experience Requirement/Examinations. The Board voted that the rule change and the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives of O.C.G.A. §§ 26-4-27, 26-4-28, and 26-4-115.

It is not legal or feasible to meet the objectives of O.C.G.A. §§ 26-4-27, 26-4-28, and 26-4-115 to adopt or implement differing actions for business as listed in O.C.G.A. 50-13-4(3)(A), (B), (C), and (D). The formulation and adoption of this rule will impact every licensee in the same manner and each licensee is independently licensed, owned and operated and dominates the field of Pharmacy.

The motion was seconded by Mr. Prather and it carried unanimously.

Bill Prather Report:

- Mr. Prather discussed the complaint process regarding anonymous complaints and those submitted without sufficient information.

Mr. Tatum made a motion to begin using the form which is currently being used by the Georgia Board of Dentistry which requires the form to be completed before a complaint can be processed. Mr. Palmer seconded the motion and it carried unanimously.

There being no further business to be discussed, the meeting was adjourned at 6:15 p.m.
